- Willowvale: 35km
- Dutywa: 60km
- East London: 207km
- Alice: 284km
- Port Elizabeth: 461km
- Durban: 600km

Directions from East London to Ngwane..

GPS Coordinates of venue: -32.2829; 28.7495
 Total travel time: Approx 3 hours
 Preferred vehicle: 2x4 or 4x4

Travelling from East London, one follows the signs to N2 (Mthatha/Durban) until Dutywa. Dutywa is the next town after Butterworth. At the first (and only) traffic light in Dutywa, turn right to Willowvale. Willowvale will be approximately 30km in the westerly direction from Dutywa (be wary of the unsigned speed bumps and potholes). Towards the end of the tar road in Willowvale, there is a sharp right bend in the road. Just after the bend, turn left to Dwesa on the gravel road (sign at this point is called Dwesa/King Hintsas's Grave)

Follow the signs Dwesa/King Hintsas. When arriving at the Dwesa/King Hintsas junction, follow the Dwesa turn. Please ask pedestrians if you are on the right track.

You will eventually pass Nqabara Clinic (after about 25km) after which there is another Dwesa sign. After the sign is a fork to Dwesa Reserve (left) and one to Ngwane JSS (right). We will mark the direction to Ngwane using banners at this point. Take the right turn. Ngwane JSS can be easily seen after 2km as it hosts a Telkom/MTN tower on its premises.
